5-Stand

Join the fun!

Wednesday

5:30 PM to 9 PM
(last call 8:30 PM)

Sunday

10 AM to 1 PM

The Rifle Range will be closed on Wednesdays at 5 PM, until 9 AM Thursday morning.

The Rifle Range will also be closed on Sundays between 10 AM & 1 PM.

Contact the Shoot Room for more information.

5-Stand combines the core aspects of skeet, sporting clays and trap shooting.

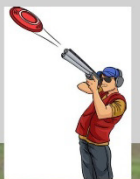

Clay-target launchers are strategically positioned around five shooting stations, or stands. The launchers throw clay birds from the front, back and both sides of the shooter.

During a game of 5-Stand, shooters are presented five targets at each station for a total of 25 targets.

After shooting at a station's five targets, the shooter then moves on to the next station.

5-Stand @ TSC

Give your rifles a rest, grab a shotgun and shoot a round of 5-Stand!

 Shoot Room for more info

What is Wobble Trap?

A wobbler is a motorized accessory designed to augment clay pigeon throwers. It is stationary, but oscillates on both horizontal and vertical axes; hence the name "Wobble." The shooter calls for the clay to be thrown and it could come from the trap at any angle. Its primary function is to automatically and randomly change the position of each target, ensuring that no two presentations are the same.

Trap Shooting

In trap shooting, shooters stand in a line or in individual shooting stations arranged in a semicircle. The shooting stations are usually positioned at different angles from a central trap house.

In each round, shooters take turns calling for a target, and the trap machine randomly releases a clay target, sending it flying away from the trap house.

The objective is to break or shatter the clay target with a shotgun blast. Shooters are scored based on how many targets they hit out of the total number attempted.

Skeet Shooting

Skeet shooting is typically done on a designated field with two trap houses, one high house and one low house. There are eight shooting stations arranged in a semicircle between these two houses.

In skeet shooting, targets are thrown from both the high and low houses in a specific pattern, with one high and one low target released simultaneously at different points along the field.

Shooters move between the stations in a predetermined order, taking shots at the targets as they fly across the field.

The objective is to break both the high and low targets for each station. Skeet shooting is known for its challenging crossing shots and requires quick target acquisition and accuracy.

Sporting Clays

Looking for something to do this weekend?

Saturday

10 AM to 3 PM
(last call 2:00 PM)

Sunday

10 AM to 3 PM
(last call 2:00 PM)

The Sporting Clays course will be closed on Wednesdays until Spring/Summer 2026, due to the days getting shorter.

Course will continue to be open on the weekends at the schedule above.

TSC Members: \$17
Non-Members: \$22

TSC Summer League: \$20

What is Sporting Clays?

Sporting clays is a dynamic and versatile form of clay target shooting that simulates various hunting scenarios. Participants move through a course, set in a natural outdoor environment, where clay targets are launched in a variety of trajectories, speeds, and angles to mimic the flight patterns of game birds and the paths of ground rabbits. The benefits of sporting clays are numerous.

Firstly, it offers a highly realistic and challenging shooting experience, allowing participants to practice their shooting skills in scenarios that closely resemble actual hunting situations. This makes it an excellent training tool for hunters looking to improve their accuracy and effectiveness in the field.

Secondly, sporting clays fosters mental acuity, as shooters must quickly adapt to changing target presentations, enhancing their cognitive skills.

Lastly, the sport encourages outdoor activity and provides an opportunity for individuals to connect with nature while enjoying a recreational pursuit.

Overall, sporting clays is not only a fantastic way to refine shooting abilities but also a rewarding outdoor pastime that promotes physical and mental well-being.

Winter League Captain's Meeting

2025-2026

Winter League Captains Meeting

Wednesday
September
17th @ 7:00

League starts Wednesday
October 15th

Western New York Practical Pistol League (WNYPPL)

(paid advertisement)

WNYPPL is a United States Practical Shooting Association (USPSA) affiliated club that hosts sanctioned Level I competitive shooting matches each month at The Tonawandas Sportsmen's Club, 5657 Killian Rd, North Tonawanda, NY 14120. This practical shooting sport improves your Pistol & PCC handling skills and shooting ability through many different courses of fire (stages) involving movement, navigating obstacles and scoring hits on various paper, steel, stationary & moving targets. Matches typically feature 4-6 stages requiring approximately 125 total rounds. Club activities & matches are open to all skill levels from entry level to advanced with safety and safe gun handling being consistently taught, supervised and enforced!

WNYPPL Membership

Dues: \$40 Annually

(Jan 1–Dec 31) pro-rated at
\$10 per quarter if joining
throughout calendar year

Membership Benefits:

- USPSA Safety Orientation (required for participation in any match in any area) and ongoing training/mentorship from experienced shooters as you build your gun-handling skills and shooting proficiency.
- Discounted match fee of \$20, for all regular WNYPPL monthly USPSA matches (Non-Member fee = \$25.).
- Access to weekly activities at The Tonawandas Sportsmen's Club (TSC membership not required). Thursday Practice \$7 and monthly "mini-matches" \$10.
- Match Fee Waived if assisting with Match setup or serving as Dedicated Range Officer during matches.

TSC Library

Increase your knowledge! Borrow a book from our library located near the main entrance.

Our free library has valuable and entertaining information about shooting sports, gun safety, maintenance, hunting, collecting, and everything relating to the outdoors.

Please feel free to donate any books or informational resources you have on hunting, fishing, firearms, and conservation.

Hardcover and softcover books accepted.

Much thanks to our librarian:
Greg Metzger

Tree Stand Policy

All tree stands must be manufactured. No homemade or wood constructed stands allowed. Stands cannot be installed until August 15th and must be removed by April 1st each season. A safety harness **MUST** be used in all stands (ladder, hang on & climbers) no exceptions. Members must have their name & phone number attached to any stands installed on Club property.

Stands not compliant with the above will be removed by the TSC Board of Directors.

WNY Outdoor Pistol League

Western New York Outdoor Pistol League WNYOPL

See Page 29 for 2025 Schedule

Sign-Up at 8:30 AM, Match begins at 9 AM

The 1st match is a .22 match. The 2nd match is an open caliber centerfire match.

A competitor may elect to fire .22 caliber during the centerfire match, but not vice versa.

Each match is a 30-round match (also known as a National Match Course or NMC), fired in stages. The stages are slow, timed, and rapid.

The slow-fire target is 10 shots over 10 minutes, shot at a target at 50-yards. The timed-fire stage is 5 shots over 20 seconds, fired twice at 25-yards. The rapid-fire stage is 5 shots over 10 seconds, fired twice, at 25-yards.

Each target is worth 100 points and the match is worth 300 points.

Contact **Bob Metro** for more information:
BMetro3@GMail.com

Kitchen Committee

For the Kitchen Committee

First and foremost, I want to take a moment to **thank** the members of the Kitchen Committee who joined, participated, and worked on behalf of ALL club members to make TSC a better place! Mike Chotkowski, Andrea Chotkowski, Nicole Altadonna, Marilyn Keller, Nick Keller, Duane (Jake) Jacobs and I worked diligently through meetings, email and text messages to update the menu from a group of thoughts to urgent execution. The goal was to streamline menu offerings, improve the quality of products being offered and eliminate as much waste as possible.

The results are visible! The marketing and menu have improved drastically! I am very proud of the work we did. I'm so thankful that the committee is willing to give of their time and talents without hesitation, recognition or anything in return. They are truly dedicated to improving the offerings of the club!

We are all benefiting from their efforts and it shows! More changes are coming, and members will continue to reap the benefits!! Future events include an upcoming Bills vs. Chiefs watch party! Sign up and watch the Bills Smoke the Chiefs 4 pm game on Nov. 2.

Secondly, I want to thank the Members and Guests of TSC who have patiently waited for the kitchen to work through the learning curve that comes when there are changes. We have taken steps to educate staff in the front and back of the house to ensure consistent experiences are had by all customers. Thank you for your patience as we change staff, write processes, and teach procedures for your ultimate benefit. We appreciate your patronage and patience. Have a thought, comment or complaint – see myself, Andrea or any member of the kitchen committee.

Best,

Colleen Jacobs

Operations Manager

Hunting on TSC Property

Revised: 8/22/2025

All Hunting on TSC property is for members only. No guests are allowed to Hunt - Deer, Turkey, Rabbit, Goose, Duck, etc. You can Hunt anywhere on TSC property – marked in “RED” on the TSC map. For permission for a youth Hunter to join you, contact the Board of Directors. Exception: Pheasant hunting (during morning hunt hours on Saturday and Sunday only – if you are a guest of a “351” Member and have permission of the “351” coordinator). This is allowed due to the additional fees involved in Pheasant hunting and the ability to purchase an unlimited amount of Birds.

Many of our maps are broken into “Zones” (for Pheasant hunting purposes). Some old maps show a Zone #10 (right /East of the Zone #9 field which previously was leased) which is not TSC property. Hunting in Zone #10 is NOT allowed.

** See latest map on TSC Website **

<https://tonsportsclub.com/club-procedures-range-rules-safety-notice/>

Notes:

1. Members are NOT allowed to use personal ATV's or Snow Mobiles on TSC property.
2. You must sign up on the clip board mounted to the side of the building (in the parking lot) every time you enter TSC property to hunt.
3. The “Old Railroad Tracks (Town path)” is Town property. You cannot have a loaded Gun on Town property. If you are going from our South side ditch to our North side ditch of the Town path (or vice versa), you must unload your Gun and it must remain unloaded until you exit Town property.
4. Big Game hunting with a Rifle is NOT allowed on TSC property.
5. If you have a Deer stand near our South ditch or North ditch (which has the Town Path between them), you can NOT shoot across the path.
6. For opening week of Deer shotgun season, “351” will not release Birds or Hunt.
7. For other weeks of Deer season: “351” will not release Pheasants in Zones 6+7 (North of the Town path) during Deer Bow and Shot Gun season (so minimal Pheasant Hunters will be in those fields throughout the Deer Bow and shotgun season thus leaving it more pleasurable to Deer Hunt in that area).
8. You MUST be a Member of TSC AND the “351” Pheasant program to hunt Pheasants on our property.

Range Rules & Safety

Rifle Range (RR)

- All Shooting must take place from the bench under the shelter at fixed distances with no portable stands.
- Shoot only at targets in your lane. Cross-lane shooting prohibited.
- (10) Rifle Stations: Only long guns and Carbines can be shot at these stations.
Shotguns with deer slugs only.
- (2) Pistol Stations: Only Pistol Calibers and Rimfire can be used at these stations.

Outdoor Range (OUT)

- Shooters using the target frames must be on the same line.
- Bring 24" x 18" to 24" cardboard with you, down to the frames to staple or tape your target onto and place into the target frame.
- If you wish to have a table to set equipment on, bring your own.
- Only Pistol Calibers and Rimfire can be used on this Range.
- Please see the complete list of rules posted inside the Club near the Shoot Room.

Indoor Range (IN)

- Access to range is granted only after attending the indoor range safety course.
- All rules of the indoor range will be covered in the safety course; all attendees are required to fire and hit a 12" target 5 out of 5 times at 20'.

Trap, Skeet, Sporting Clays

- Field/Sporting shotguns only with 7 ½ to 9 shot size.
- Lead ammo only; NO steel shot.
- While trap shooting with a semi-automatic shotgun, a shell catcher or rubber band MUST be used!

For complete range rule books, go to:

<https://tonsportsclub.com/club-procedures-range-rules-safety-notice>

Safety at TSC

It is each members responsibility for shooting safely. If you see something, say something. If you're hunting, merely asking "safety on?" after someone shoots is good common sense.

Correcting a newcomer at any range will create safer surroundings for all. Be nice; we all were new to shooting sports at one time. Helping another shooter practice safe firearm procedures is win-win.

This is OUR Club; therefore, ALL members need to be aware of their surroundings; whether eating, shooting, or walking to your vehicle. If you're new to firearms, please ask for assistance, someone is always happy to help.

Remember, there is no "ego" in safety. A smart shooter is always learning.

A "know it all" is usually the one to do something stupid, with a lame excuse that can never undo an unsafe act.

We are all human and we will make mistakes; but if we watch out for each other, we can prevent mistakes from happening.

Safety never sleeps.

1.

ALWAYS

keep the gun pointed in a safe direction.

2.

ALWAYS

keep your finger off the trigger until ready to shoot.

3.

ALWAYS

keep the gun unloaded until ready to use.

When Using or Storing a Gun, Always Follow These NRA Rules:

- Know your target and what is beyond.
- Be sure the gun is safe to operate.
- Wear eye and ear protection as appropriate.
- Store guns so they are not accessible to unauthorized persons.
- Know how to use the gun safely.
- Use only the correct ammunition for your gun.
- Never use alcohol or drugs before or while shooting.
- Be aware that certain types of guns and many shooting activities require additional safety precautions.

Range Hours for TSC Members

Indoor Range (IN)

8 AM – 9:45 PM daily

Outdoor Range & Rifle Range (OUT & RR)

Mon – Fri: 9 AM – 8:59 PM or dark (whichever is first)

Sat & Sun: 10 AM – 8:59 PM or dark (whichever is first)

Prior to using any of the Club's ranges, you must take the MANDATORY Safety Course for that range. For information on the next range safety class contact:

Ranges@TonSportsClub.com

Rifle Range will be closed Wednesdays during 5-Stand operation, from 5 PM Wednesday until 9 AM Thursday morning.

Rifle Range will be closed 10 AM to 1 PM on Sundays during 5-Stand operation

Contact the Shoot Room for more information.

Range Rental Information

Range Rentals are a part of TSC's income and subsidize a portion of our expenses.

We try to schedule all rentals on the Outdoor Range (OUT) first.

The Rifle Range (RR) is used as overflow. This allows Club members who want to shoot pistols or rifles to have an open outdoor range.

Range Rental Contact: Range.Rental@TonSportsClub.com
