Hello everyone.

I would like to thank everyone for their support. I'm always looking for help. Whether it's running a meeting, or cleaning, doing odd jobs around the club. We can all help in different ways.

Life is about change. I've said this before. It sucks. We have to accept it. Everything is going up in price. The board will be looking at prices of everything. (Membership. Sporting clays, trap, skeet, food, alcohol, employees). Birds went up in price. Minimum wage went up. Food went up. Insurance went up. Everything is up. A large pizza used to cost under 20 bucks, now \$30 or more. Everybody is passing it on. We need to do the same but at the same time, give our members value for being a member. We offer a lot as a club that other clubs don't offer.

This is a head's up for February that we normally don't do -

Monday February 9 through Friday February 13, 8am-4pm, The indoor range is rented to local law enforcement.

5-Stand

Join the fun!

Temporarily Closed

Until May due to the Winter League

5-Stand combines the core aspects of skeet, sporting clays and trap shooting.

Clay-target launchers are strategically positioned around five shooting stations, or stands. The launchers throw clay birds from the front, back and both sides of the shooter.

During a game of 5-Stand, shooters are presented five targets at each station for a total of 25 targets.

After shooting at a station's five targets, the shooter then moves on to the next station.

Contact the Shoot Room for more information.

Trap Shooting

In trap shooting, shooters stand in a line or in individual shooting stations arranged in a semicircle. The shooting stations are usually positioned at different angles from a central trap house.

In each round, shooters take turns calling for a target, and the trap machine randomly releases a clay target, sending it flying away from the trap house.

The objective is to break or shatter the clay target with a shotgun blast. Shooters are scored based on how many targets they hit out of the total number attempted.

Skeet Shooting

Skeet shooting is typically done on a designated field with two trap houses, one high house and one low house. There are eight shooting stations arranged in a semicircle between these two houses.

In skeet shooting, targets are thrown from both the high and low houses in a specific pattern, with one high and one low target released simultaneously at different points along the field.

Shooters move between the stations in a predetermined order, taking shots at the targets as they fly across the field.

The objective is to break both the high and low targets for each station. Skeet shooting is known for its challenging crossing shots and requires quick target acquisition and accuracy.

Welcome to the new and returning members of the Board of Directors! We are looking forward to hearing your ideas on keeping the positive momentum going for the club!

Having said that; as MANY of you have asked, are we bringing back Friday Night Fish Fry's? I'm happy to finally announce that YES, we are!! Following our Ash Wednesday Lenten Fish Fry on Wednesday February 18th; we will be serving Haddock Fish Fry's – Beer Battered, Broiled, Lemon-Pepper, Cajun starting Friday February 20th! The menu will be limited (Daily specials, NO chicken wings unless we run out of Fish), and the Bar will be open. In the past, these were very well attended with Members and Guests enjoying great food, lots of laughs, and memories made! As we ease back into Fish Fry's I ask for your patience as the team learns new processes and best practices. Help us spread the word! Looking forward to making more memories with all of you!

As always, I am available for your feedback, suggestions and ideas. We have several specials planned for upcoming Wednesdays. Once we confirm that Fridays remain busy enough to remain open, we will work on additional specials for Friday's. We sincerely appreciate your support and patronage!

Best,
 Colleen Jacobs

Western New York Practical Pistol League (WNYPPL)

(paid advertisement)

WNYPPL is a United States Practical Shooting Association (USPSA) affiliated club that hosts sanctioned Level I competitive shooting matches each month at The Tonawandas Sportsmen's Club, 5657 Killian Rd, North Tonawanda, NY 14120. This practical shooting sport improves your Pistol & PCC handling skills and shooting ability through many different courses of fire (stages) involving movement, navigating obstacles and scoring hits on various paper, steel, stationary & moving targets. Matches typically feature 4-6 stages requiring approximately 125 total rounds. Club activities & matches are open to all skill levels from entry level to advanced with safety and safe gun handling being consistently taught, supervised and enforced!

WNYPPL Membership

Dues: \$40 Annually

(Jan 1–Dec 31) pro-rated at
\$10 per quarter if joining
throughout calendar year

Membership Benefits:

- USPSA Safety Orientation (required for participation in any match in any area) and ongoing training/mentorship from experienced shooters as you build your gun-handling skills and shooting proficiency.
- Discounted match fee of \$20, for all regular WNYPPL monthly USPSA matches (Non-Member fee = \$25.).
- Access to weekly activities at The Tonawandas Sportsmen's Club (TSC membership not required). Thursday Practice \$7 and monthly "mini-matches" \$10.
- Match Fee Waived if assisting with Match setup or serving as Dedicated Range Officer during matches.

TSC Library

Increase your knowledge! Borrow a book from our library located near the main entrance.

Our free library has valuable and entertaining information about shooting sports, gun safety, maintenance, hunting, collecting, and everything relating to the outdoors.

Please feel free to donate any books or informational resources you have on hunting, fishing, firearms, and conservation.

Hardcover and softcover books accepted.

Much thanks to our librarian:

Tree Stand Policy

All tree stands must be manufactured. No homemade or wood constructed stands allowed. Stands cannot be installed until August 15th and must be removed by April 1st each season. A safety harness **MUST** be used in all stands (ladder, hang on & climbers) no exceptions. Members must have their name & phone number attached to any stands installed on Club property.

Stands not compliant with the above will be removed by the TSC Board of Directors.

Hunting on TSC Property

All Hunting on TSC property is for members only. No guests are allowed to Hunt - Deer, Turkey, Rabbit, Goose, Duck, etc. You can Hunt anywhere on TSC property – marked in “RED” on the TSC map. For permission for a youth Hunter to join you, contact the Board of Directors. Exception: Pheasant hunting (during morning hunt hours on Saturday and Sunday only – if you are a guest of a “351” Member and have permission of the “351” coordinator). This is allowed due to the additional fees involved in Pheasant hunting and the ability to purchase an unlimited number of Birds.

Many of our maps are broken into “Zones” (for Pheasant hunting purposes). Some old maps show a Zone #10 (right /East of the Zone #9 field which previously was leased) which is not TSC property. Hunting in Zone #10 is NOT allowed.

** See latest map on TSC Website **

<https://tonsportsclub.com/club-procedures-range-rules-safety-notice/>

Notes:

1. Members are NOT allowed to use personal ATV's or Snow Mobiles on TSC property.
2. You must sign up on the clip board mounted to the side of the building (in the parking lot) every time you enter TSC property to hunt.
3. The “Old Railroad Tracks (Town path)” is Town property. You cannot have a loaded Gun on Town property. If you are going from our South side ditch to our North side ditch of the Town path (or vice versa), you must unload your Gun and it must remain unloaded until you exit Town property.
4. Big Game hunting with a Rifle is NOT allowed on TSC property.
5. If you have a Deer stand near our South ditch or North ditch (which has the Town Path between them), you can NOT shoot across the path.
6. For opening week of Deer shotgun season, “351” will not release Birds or Hunt.
7. For other weeks of Deer season: “351” will not release Pheasants in Zones 6+7 (North of the Town path) during Deer Bow and Shot Gun season (so minimal Pheasant Hunters will be in those fields throughout the Deer Bow and shotgun season thus leaving it more pleasurable to Deer Hunt in that area).
8. You MUST be a Member of TSC AND the “351” Pheasant program to hunt Pheasants on our property.

Range Rules & Safety

Rifle Range (RR)

- All Shooting must take place from the bench under the shelter at fixed distances with no portable stands.
- Shoot only at targets in your lane. Cross-lane shooting prohibited.
- (10) Rifle Stations: Only long guns and Carbines can be shot at these stations.
Shotguns with deer slugs only.
- (2) Pistol Stations: Only Pistol Calibers and Rimfire can be used at these stations.

Outdoor Range (OUT)

- Shooters using the target frames must be on the same line.
- Bring 24" x 18" to 24" cardboard with you, down to the frames to staple or tape your target onto and place into the target frame.
- If you wish to have a table to set equipment on, bring your own.
- Only Pistol Calibers and Rimfire can be used on this Range.
- Please see the complete list of rules posted inside the Club near the Shoot Room.

Indoor Range (IN)

- Access to range is granted only after attending the indoor range safety course.
- All rules of the indoor range will be covered in the safety course; all attendees are required to fire and hit a 12" target 5 out of 5 times at 20'.

Trap, Skeet, Sporting Clays

- Field/Sporting shotguns only with 7 ½ to 9 shot size.
- Lead ammo only; NO steel shot.
- While trap shooting with a semi-automatic shotgun, a shell catcher or rubber band MUST be used!

For complete range rule books, go to:

<https://tonsportsclub.com/club-procedures-range-rules-safety-notice>

Safety at TSC

It is each members responsibility for shooting safely. If you see something, say something. If you're hunting, merely asking "safety on?" after someone shoots is good common sense.

Correcting a newcomer at any range will create safer surroundings for all. Be nice; we all were new to shooting sports at one time. Helping another shooter practice safe firearm procedures is win-win.

This is OUR Club; therefore, ALL members need to be aware of their surroundings; whether eating, shooting, or walking to your vehicle. If you're new to firearms, please ask for assistance, someone is always happy to help.

Remember, there is no "ego" in safety. A smart shooter is always learning.

A "know it all" is usually the one to do something stupid, with a lame excuse that can never undo an unsafe act.

We are all human and we will make mistakes; but if we watch out for each other, we can prevent mistakes from happening.

Safety never sleeps.

1. ALWAYS

keep the gun pointed in a safe direction.

2. ALWAYS

keep your finger off the trigger until ready to shoot.

3. ALWAYS

keep the gun unloaded until ready to use.

When Using or Storing a Gun, Always Follow These NRA Rules:

- Know your target and what is beyond.
- Be sure the gun is safe to operate.
- Wear eye and ear protection as appropriate.
- Store guns so they are not accessible to unauthorized persons.
- Know how to use the gun safely.
- Use only the correct ammunition for your gun.
- Never use alcohol or drugs before or while shooting.
- Be aware that certain types of guns and many shooting activities require additional safety precautions.

Range Hours for TSC Members

Indoor Range (IN)

8 AM – 9:45 PM daily

Outdoor Range & Rifle Range (OUT & RR)

Mon – Fri: 9 AM – 8:59 PM or dark (whichever is first)

Sat & Sun: 10 AM – 8:59 PM or dark (whichever is first)

Prior to using any of the Club's ranges, you must take the MANDATORY Safety Course for that range. For information on the next range safety class contact:

Ranges@TonSportsClub.com

Rifle Range will be closed Wednesdays during 5-Stand operation, from 5 PM Wednesday until 9 AM Thursday morning.

Contact the Shoot Room for more information.

Range Rental Information

Range Rentals are a part of TSC's income and subsidize a portion of our expenses.

We try to schedule all rentals on the Outdoor Range (OUT) first.

The Rifle Range (RR) is used as overflow. This allows Club members who want to shoot pistols or rifles to have an open outdoor range.
